

Go Live with Versivo's OnBase Electronic Plan Review Solution **IN 4 WEEKS!**

Is your organization still relying on paper plan submissions?

Are you looking to provide **IMPROVED SERVICE** to developers and citizens, and a better experience for staff - **ALL ONLINE**? No paper or in-person visits required!

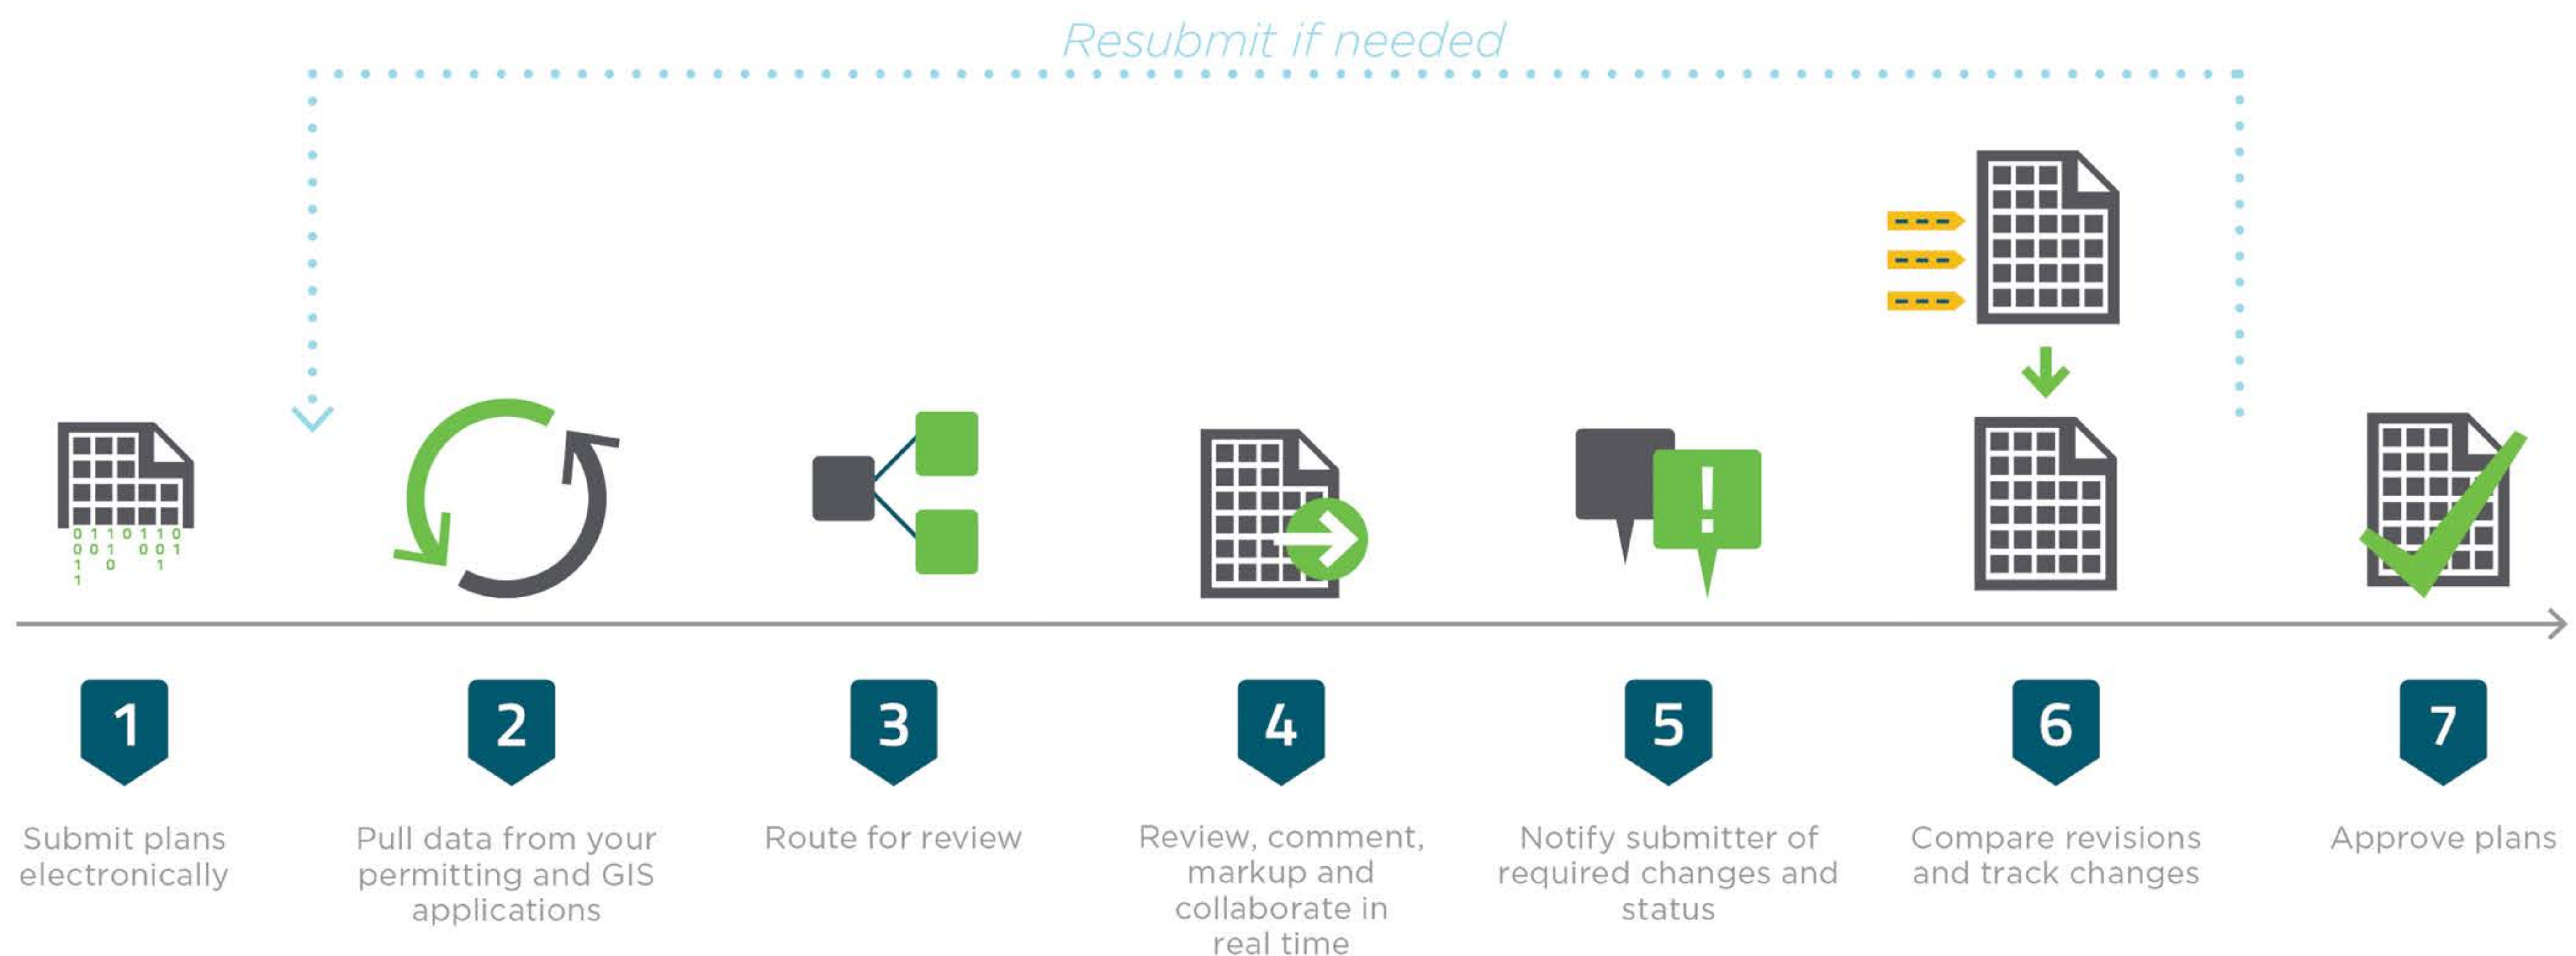

Contact us at planreview@versivo.com or call (571) 636-1100 to get started TODAY!

Our solution can quickly transform your plan review process with one system for submission, version control, process management, collaboration, and long-term storage.

You may have many tools at your disposal during the plan review process. But can you track the entire process of review at every stage? Do you have an end-to-end solution that offers your reviewers and submitters a seamless experience? And does that system allow you to consolidate each reviewer's comments and mark-ups on a single copy to send back to the submitter?

Versivo & OnBase can help!

Plan Review **QUICK START** is available via the GSA IT Schedule 70 Contract for **under \$25,000!**
